

General Education Program Assessment Schedule

Departments are expected to assess all approved general education courses at least once between Fall 2006 and Spring 2008 using the schedule below. If an approved course is not instructed during the semester shown on the schedule below, then the department should assess the course either ahead of schedule or the next time the course is taught in the two year time period. **Courses approved for any theme under option three of Block VIII should assess the first semester that the course is instructed.**
